What Works to Prevent Violence? Evidence from School Based interventions.

Five years into this global research and implementation collaboration, the What Works to Prevent Violence against Women and Girls Global Programme is pleased to invite you to the launch of ground-breaking findings from interventions in schools in Afghanistan and Pakistan that have reduced violence by up to 50%.

Join us for this high level panel discussion on how these important findings can inform the VAWG prevention policy and programming agenda.

Thursday 6th December 2018
10am to 11:30am (breakfast from 9:30am)

The Map Room in the FCO on King Charles Street

The Rt Hon Lord Bates, Minister of State, DFID
